

REMARKS

The specification has been amended to identify information relating to the international application and priority application of the present application. The specification has also been amended to correct an error in the reference number for the symbol display section in the first sentence of the paragraph beginning on page 14, line 7. The reference number "51" has been amended to -- 52- which is used to identify the symbol display section throughout the rest of the specification.

The claims have been amended to remove multiple dependencies and to conform with standard United States Patent practice.

In the event any additional fees are required, please also charge our Deposit Account No. 111833.

Respectfully submitted,

KUBOVCIK & KUBOVCIK
